DIVISION OF WATER RIGHTS

In the Matter of License 7969 (Application 20284)

Don C. and Lea L. Minto

ORDER REVOKING LICENSE

SOURCE: Unnamed Stream

COUNTY: Tehama

WHEREAS:

1. License 7969 was issued to F. I. Nichols and Osie Nichols on April 10, 1967, pursuant to Application 20284 and was recorded by the County Recorder of Tehama County on April 11, 1967, in Book 498, Pages 380-381.
2. License 7969 was subsequently assigned to Don C. and Lea L. Minto on September 22, 2005.
3. Don C. Minto requested on April 14, 2010, that the License be revoked by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
4. The Division interprets the Licensee's request for revocation as a waiver of the notice and hearing requirements set forth in Water Code sections 1675 through 1675.1.

Therefore, it is ordered that License 7969 is hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.

APPLICATION 20284

PERMIT 13197

LICENSE 7969

THIS IS TO CERTIFY, That

F. I. Nichols and Osie Nichols
204 - 4th Street
Orland, California

Notice of Change (Over)

have made proof as of August 31, 1966,
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
an unnamed stream in Tehama County

tributary to Rice Creek thence Sacramento River

for the purpose of irrigation and stockwatering uses
under Permit 13197 of the Board and that the right to the use of this water has been perfected in
accordance with the laws of California, the Regulations of the Board and the permit terms; that the priority of
this right dates from June 29, 1961 and that the amount of water to which this right is
entitled and hereby confirmed is limited to the amount actually beneficially used for the stated purposes and shall
not exceed twenty-five hundredths (0.25) cubic foot per second to be diverted from
about April 15 to about October 15 of each year.

The equivalent of such continuous flow allowance for any thirty-day period may be
diverted in a shorter time if there be no interference with other vested rights.

THE POINT OF DIVERSION OF SUCH WATER IS LOCATED:

North 1,320 feet and east 1,640 feet from SW corner of projected Section 21, T23N,
R2W, MDB&M, being within NE $\frac{1}{4}$ of SW $\frac{1}{4}$ of said Section 21.

A DESCRIPTION OF THE LANDS OR THE PLACE WHERE SUCH
WATER IS PUT TO BENEFICIAL USE IS AS FOLLOWS:

Stockwatering uses and irrigation of 18 acres within NE $\frac{1}{4}$ of SW $\frac{1}{4}$ of projected
Section 21, T23N, R2W, MDB&M

Licensee shall allow representatives of the Board and other parties, as may be authorized from time to time by the Board, reasonable access to project works to determine compliance with the terms of this license.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
